A Home of Hope Project

Dear Natasha

On behalf of children at Home of Hope we would like to sincerely thank Ambassador for their donation of the door. We are truly appreciative of the kindness and generosity you show us. Home of Hope would not be in existence if it were not for the support of people like you and for that we remain indebted with gratitude.

We thank you for partnering with us, for helping us make a lasting positive difference in the lives of children that have been abused, abandoned and neglected and those who suffer from Foetal Alcohol Spectrum Disorders (FASD) and HIV.

It is our belief that if children live with security they learn to have faith. If children live with approval they learn to have confidence and to like themselves. If children live with acceptance and friendship they learn to find love in the world. At Home of Hope we are constantly trying to create and reinforce this positive environment so that our children can learn these invaluable lessons and experience the love they so desperately deserve.

Thank you for reaching out and sharing your love with our children.

Yours sincerely
Genevieve Brook
